Celina's Top Priorities/Issues: https://www.celinamontoya.org/

1 Education & Workforce: Celina will prioritize investing in public education, our infrastructure, and our workforce in order to meet the increasing demands of our state and ensure continued economic growth.

2 Healthcare: Despite the fact that Texas has the highest rate of uninsured residents in the US and nearly two-thirds of Texans support the expansion of Medicaid, the Texas Legislature refuses to expand health insurance access to 1.6 million uninsured Texans. When elected, Celina will work to expand access to critical healthcare for all Texans. She will focus on our state's opportunities to provide service to veterans, mental health services, reproductive healthcare, and service to children with special needs.

3 Job Growth: Celina will support job creation by advocating for fair regulations and strategic investments in priorities that help the private sector grow. She will fight bad policies passing the buck onto homeowners and small businesses.
